GENERAL PRICE LIST

Effective Date: April 01, 2026

These prices are effective as of the date shown above and are subject to change without notice. Prior to any change, this price list will remain in effect.

The goods and services shown below are those we can provide for our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Services & Cremation

Basic Cremation — \$995

Our Basic Cremation (direct cremation) price includes: transfer of remains to our facility within our local service area, sheltering of remains, all necessary authorizations and permits, filing of the death certificate, the basic services of funeral director and staff, a basic alternative container, the cremation process, and return of the cremated remains to the family in a temporary container.

A direct cremation is a cremation without formal viewing, visitation, or ceremony.

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The containers we provide are: (1) a Basic Reinforced Fiberboard alternative container, and (2) a Reinforced Fiberboard transporter with non-woven interior and pillow (see Cremation Containers below).

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. We do not offer embalming services. If embalming is desired, arrangements must be made through another provider.

Respectful Cremations does not offer the following services: Outer Burial containers, Embalming, preparation of the body, use of facilities and staff for viewings, memorial services, graveside services, hearse, or limousines.
